In the following link I have a collection of edited photos and illustrations that I have gathered in order for you to see what my creative mind/aesthetic looks like: **https://www.deviantart.com/natalijaxx**

Experience

**MAR 2021 - JUN 2021**

Internship

Bintern

- The internship I took at Bintern was about Web Development.
- We built a few applications which you can find on my GitHub but I would like to single out the following chat- application: https://github.com/natalijakostadinoska/firebase-vue-chat

Projects

- My personal porftfolio website using HTML, CSS and JavaScript: https://nks-portfolio.herokuapp.com/
- A self-taught Adobe XD (ui/ux design field) project: https://xd.adobe.com/view/852fc625-67d6-4141-8512-ca2349ba6188-d07c/grid/
- A mobile app design: https://dribbble.com/_natalijaxx
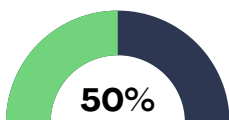

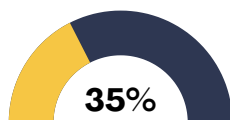

Skills

45% Vue

65% HTML, CSS, JS

50% Adobe Xd, Adobe Illustrator,Figma

35% React
